frequently asked questions

What's the first step to building a website?

The first step to building a website is choosing the right domain name. If you've already purchased a hosting account, you are usually provided a temporary domain.

Is it expensive to have a professional website built?

Most professional websites can range from \$2,500-\$10,000. If you are looking for a highly customized website, they can exceed \$10,000.

Can your company maintain my existing website?

Yes. If you currently have a website and would like for us to maintain it, we can do it for a monthly fee.

Do you offer consultation services?

Yes, for a fee. Please complete the contact form online and we can provide you a quote within 24 hrs.

Can you manage my Facebook page and other social media accounts?

Yes. We develop social media accounts for small to medium sized businesses. If you need help creating ads and maintaining your page, we can lighten your load.
