

## About Us

We are a team of experts in the area of general pediatrics and pediatric neurology with a combined 50 years experience in the different aspects of child care.

Our nurse has a solid experience in the areas of pediatric critical care, transport of sick infants and children as well as inpatient care of diverse common and uncommon childhood illness.

This combined with our physician background and experience in the field of pediatrics and pediatric neurology gives us the confidence of offering a capable and in depth evaluation of any case in the area of medical child care.

Our physician has been accepted as an expert witness, not only in the state of Louisiana, but also in other states, including both state and federal courts.

We clearly understand the responsibility that entitles the review of records and the obtaining the necessary information that could be scientifically substantiated in a court of law.

Our team offers a timely response providing the information needed to support the legal argument of your case. We are ready to work with and for you.

**Pediatric Neurology**  
EXPERT OPINIONS, LLC

## Our Mission

We aim to provide fair, honest, and cost effective advice and expert medical opinions to attorneys handling cases that require pediatric neurology expertise. Our opinions and advice will be based on medical facts and impartial scientific evidence, related to the field of pediatric neurology.

## Services Provided

- Provide a thorough review of medical records
- Consult with attorneys/legal team
- Provide extensive medical literature research, relevant to each case
- Prepare written detailed reports
- Provide expert testimony on issues related to pediatric neurology
- Serve as an expert witness

Every case begins with a medical legal triage, which is a courtesy telephone conference, involving a brief case analysis with one of our associates. Our team will then decide if we feel we may be able to provide expert medical advice and opinion for the case presented. If we feel we may be able to provide assistance, then a required minimum fee of 2 hours pay will be applicable to do further analysis of the case in order to make a final decision. We reserve the right to decline any case for any reason.
